

Prop 38:

Funds breakthrough immunology **medical research to prevent and cure** cancer, Alzheimer's, heart disease, Parkinson's, ALS, and other devastating diseases

Will ensure California remains at the forefront of life-saving medical research in the face of federal funding cuts

Designed to pay for itself by returning 10% of revenue from licensing of immunotherapies back to the State to repay bonds and interest

Strong accountability and transparency requirements

20% discount to California patients on any treatments and cures

Ad paid for by YES on 38: Californians for Life-Saving Immunology Research and Cures, sponsored by the Michelson Center for Public Policy. Ad Committee's Top Funders:

Gary K. Michelson

Michelson Center for Public Policy, Inc.

Meyer Luskin
